Role: Principal Investigator.

*Gender Differences in Developmental Pathways of Substance Use Problems and Risk Behaviors Among Poly-Drug Exposed Adolescents*, Funded by the National Institutes of Health/National Institute on Drug Abuse (NIH/NIDA R01 042747; PI: Meeyoung O. Min, PhD); September 2019-December 2021; \$842,460.

Role: Research Assistant.

*Gene-Environment Interplay in Substance Use and Related Behaviors During Adolescence and Emerging Adulthood*, Funded by the University Research Funding, Case Western Reserve University Vice President for Research Catalyst Award (PI: Sonia Minnes, PhD); May 2018-April 2019; \$20,000.

Role: Research Assistant.

### RESEARCH PROJECTS (PENDING)

*Behavioral Health Effectiveness, Access, Collaboration, and Outcomes Network of North Dakota (BEACON ND)*, Rural Health Transformation Program - Centers for Medicare & Medicaid Services (CMS; PI: Rachel Navarro, PhD). Submitted October 2025. Proposed budget: \$26,765,500

Role: Co-Investigator (10% effort)

### EDUCATION GRANTS

*Grant for Summer 2025 Quality Course Design for the Transition to Blackboard Ultra Workshop*, Funded by the Teaching Transformation and Development Academy, University of North Dakota; \$1,000.

- My project goal was to develop an accessible template for social work research methods course modules (SWK529, SWK317) in Blackboard Ultra by addressing barriers in digital content and ensuring the course materials meet accessibility standards.

*Use of Motivational Interviewing Innovations in Master of Social Work Research Methods Education*, Travel Grant for Scholarship of Teaching and Learning (SoTL), funded by the Senate Faculty Instructional Development Committee (FIDC), University of North Dakota; August 2023–April 2024; \$2,000. Role: Principal Investigator.

*Grant for Summer 2022 Inclusive Excellence and Diversity Workshop*, Funded by the Teaching Transformation and Development Academy, University of North Dakota; \$1,500.

- The goal of this collaborative project was to strengthen the Social Work Department's program learning outcomes by equipping faculty colleagues with evidence-based teaching strategies to create supportive, accessible learning environments that promote professional development and career preparedness among social work students with varied readiness and learning styles.

*Grant for Summer 2021 Creating an Inclusive Classroom Workshop*, Funded by the Office of the Provost and Vice President for Academic Affairs and the Teaching Transformation and Development Academy, University of North Dakota; \$1,500.

- My project goal was to strengthen pedagogical approaches in social work research methods courses (SWK507, SWK317) through comprehensive curriculum redesign. Key improvements included enhanced course alignment between activities, assessments, and learning outcomes; addition of course materials that present balanced perspectives with varied social and cultural examples; and creation of interactive, experiential learning activities to help students achieve course objectives in on-campus and online formats.
