

RESOURCES FOR SUPPORT AND REPORTING SEXUAL MISCONDUCT

UND'S TITLE IX TEAM IS HERE

We are here to receive, respond to, and address all reports of sexual misconduct and concerns about gender equity that affect members of the UND community.

Our role is to eliminate, prevent, and address prohibited sex-based misconduct, such as sexual assault, sexual harassment, stalking, and domestic or relationship violence. This includes discrimination and violence because of a person's gender identity or sexual orientation.

We do this by responding to individual incidents, supporting those affected directly or indirectly, and educating community members on how to create a safe and supportive campus that encourages healthy and respectful relationships.

WHAT ARE MY OPTIONS?

You have a number of options, but each individual is different, so we encourage you to consider contacting one or more of the following offices as you gather information and decide what is best for you.

CONFIDENTIAL SOURCES OF INFORMATION AND SUPPORT:

Community Violence Intervention Center

CVIC and CVIC at UND can provide emotional support and reporting options, along with other resources such as protection orders and group counseling.

Student Health Services

SHS can provide confidential health services.

University Counseling Center

UCC can provide individual or group counseling.

Altru Hospital

Altru provides a confidential forensic sexual assault exam (rape kit) and other health care options. This exam is free of charge and will not be billed to your health insurance.

CAMPUS RESOURCES THAT ARE GUIDED BY TITLE IX AND WILL KEEP INFORMATION PRIVATE:

Office of Student Rights & Responsibilities* | University Police Department* | Title IX Coordinator or Deputy Title IX Coordinator*

These resources are for anyone affected by sexual misconduct. They provide a compassionate space to make a report and learn about resources and support, including housing/academic assistance, emotional support and more. They will learn about your wishes moving forward and work to find a resolution consistent with your needs.

If you meet with the people in these offices, you can do any or all of the following:

- Just get information about possible next steps
- Make a report and request support resources only (i.e., campus contact restrictions, housing/academic assistance)
- Make a report and request non-adjudication options (i.e. education, counseling) to address behavior of concern
- Make a report and initiate a formal complaint, which can lead to a student conduct or other disciplinary process

On-Line Reporting

You may make an anonymous crime report to UPD here: campus.UND.edu/safety/report-a-crime.html

You may make an incident report to the Title IX Coordinator (with or without using your name) here:

campus.UND.edu/equal-opportunity/incident-report.html

*These individuals have a duty to share all disclosures of sexual violence or other acts of sexual misconduct with the Title IX Coordinator to provide resources and support. This information will remain private and the only individuals who will be informed of your identity are those who need to know to provide assistance.
