## ELITE CHOICE GROUP DENTAL PLAN

**Welcome** to the **ELITE CHOICE GROUP DENTAL PLAN** available exclusively from Total Dental Administrators.

The **ELITE CHOICE DENTAL PLAN** offers you the option of receiving your dental care from any dentist you choose (Out-Of-Network) or from any Participating Plan Dentist (In-Network); and you don't need to make that decision until you need dental care! However, should you elect to receive your dental care from an In-Network dentist, your out of pocket costs will be less.

The following is an outline of your dental coverage. For a complete listing of procedures please refer to the employee booklet/certificate you will receive after enrollment. Services not listed are available on a fee for service basis, no discount applies.

### Elite Plan Advantages

- No In-Network Deductibles
- \$2,000 Annual Maximum
- No In-Network Waiting Period  
*(6 Month Waiting Period for Major Services Out-Of-Network)*

#### Utilizing An In-Network Dentist

There are no deductibles for dental services provided by participating In-Network dentists. Co-pays in the column titled "In-Network" apply to services performed by participating In-Network dentists only. The member is responsible for the amount listed under the In-Network Patient Co-pay.

#### Utilizing An Out-Of-Network Dentist

There are no deductibles for Diagnostic or Preventive (Class I) services. A \$50.00 per person and \$150.00 per family annual deductible will be applied to all dental services not listed in the Diagnostic and Preventive (Class I) categories. Members must meet a 6-month waiting period for all Major (Class III) services. The fees listed in the column titled "Out-Of-Network" are what the plan covers toward those services. The member is responsible for the difference between the amount paid by the plan, and the amount your dentist charges. The member is therefore responsible for any balanced-billed amount.
