

Data Privacy

Here are the access directions for new employees: (They must have NDUS credentialing)

1. Login to Blackboard Learn (Use either your institution's Blackboard URL or <https://blackboard.ndus.edu>) using your NDUS account credentials.
2. Once logged in, paste the following URL into your browser: https://blackboard.ndus.edu/webapps/blackboard/execute/enrollCourse?context=INMENU&course_id=64378_1

Or- Click on the **Courses** tab along the top of the page and enter **Data Privacy** into the Course Search field. Once the results show, hover over the **NDUS-Data Privacy** course and click on the **Options Menu** down arrow to the right of the name. Choose **Enroll**.

1. Provide the following access key: **NDUSDP**, and click **Submit**
2. Click **OK** in the bottom right corner.
3. Follow the onscreen instructions
