A One Stop Travel Tool

Your traveler can use the Chubb Travel Smart Website to research their travel country. It provides country specific facts, information and ratings regarding safety risk (crime, environmental), culture (dos and don’ts), travel needs, medical information and alerts. The Website also includes an e-learning portal to educate travelers on the risk they may face while traveling and printable wallet cards with our 800# travel hotline which can also be obtained online as well.

Download the Chubb Travel Smart App

Your traveler can also take Chubb Executive Assistance® Services mobile by downloading the Chubb Travel Smart App onto their smartphones. Simply lookup “Chubb Travel Smart” in the App store. The App provides most of the information above and includes a currency converter and Embassy information for every nationality. If they enable Location Services on their smartphone, the Travel App will push information to them based upon their current location.

Chubb Travel Smart eLearning launch guide

Our powerful business travel app is now even smarter with the introduction of integrated eLearning tool. Covering important topics from terrorism and staying healthy to cybercrime and high-risk locations, you can get to know the risks and the steps you should take to avoid them.

How does it work?

1. Access Chubb Travel Smart either via app or desktop. If not yet registered, simply complete the online registration form. Or register within the app.
2. You are ready to start learning! For desktop users, click 'eLearning' at the top of the left menu. For app users, click 'Profile' in the bottom right menu, then click 'eLearning'.
3. All modules are available in four different languages, which can be selected from the starting page.
4. Select the module covering the subject you are interested in.
5. Watch the short introductory video before continuing through the module.
6. The status bar will inform you of your progress. You have the option to navigate forward and back.
7. Click the tick to finish the module and begin the short quiz.
8. If you are unsure of the answer, simply click the lightbulb icon for information relating to a specific question. The status bar will tell you how far you are progressing through the quiz.
9. Once you have successfully completed a module, you will receive a merit and a downloadable e-Document containing useful information so you are ready for your next trip! All completed modules are logged in your user account.

Smarter solutions for risk and HR managers

If you are responsible for managing employee business travel, the new eLearning menu in Chubb Travel Smart delivers powerful features for you and your company:

- See all employee eLearning activity in one place
- Track employee progress and measure performance
- Use alerts and notifications to promote specific modules
- Incentivise and run competitions
How to Register for the Chubb Travel Smart App

Be Sure to Include First and Last Name.
This is how your risk manager will be able to identify and communicate with you.

Email Address
A verification email is sent during registration. Email is used as a form of communication between the application, the risk manager, and users.

Password
Upon registration, you will be asked to create a password and to confirm that password. The password must be 10 characters long and contain one number, one lowercase letter, and one uppercase letter.

Agree to Terms
Once you check the agree to terms box, hit the “Register” button and you should receive the verification email and a text with the verification code.

Select Your Country of Residence
This is used to push country-specific information, including embassy information.

Phone Number (please register a mobile phone number)
A verification code is sent via text at registration. The registered phone number is also used as a form of communication between the application, the risk manager, and users. Further, your phone will generate GPS coordinates that will be accessible via the risk manager’s portal.

Policy Number
The policy number will be 12 characters and will usually begin with the prefix “PHFD”, “PFFD”, “ENID”, or “CXCD”. There is no space between letter and number and the suffix is not included in the policy number. Example: PHFD12345678.
