c. **Secretary: Paula Cox.** The secretary is responsible for taking and maintaining the minutes from the Staff Senate and the Staff Senate Executive Committees. The membership officer will email you the attendance list for each of the meetings to include in your minutes. Type them up and email to the president. After the minutes are approved by the Senate vote, they are distributed to the Historian for publication on the Staff Senate website. If the secretary is going to be absent, they will ask someone else on the senate to take the minutes and distribute for them.

d. **Treasurer: Devona Janousek.** The Treasurer is responsible for Staff Senate fiscal affairs. This includes monitoring fund-raising, processing payments, tracking budgets, and preparing financial reports. Any expenses using Staff Senate funds must be approved by the Staff Senate President prior to the Treasurer disbursing the funds. If you are on a committee and plan on spending Staff Senate funds, the expense must be approved by the Staff Senate President prior to the expense occurring. We can get into the details of this later, but a recommended avenue for approval would be to bring the request to the Executive Committee. Last minute expenses could be approved by the Staff Senate President via email. Once you receive approval, you’ll work with the Treasurer for direction on which fund number to use and how to execute the purchase.

Each month you’ll receive the Treasurer’s report via email. I am working on a new format so it will likely have a different look starting next fiscal year, which starts July 1.

Staff Senate operates under several different funds.
- We currently have an appropriated budget of $7,515 that is used for general operating as well as some committee activity. Any budget remaining in the appropriated fund at the end of the year will go back to the budget office. We do not keep the appropriated balance for the next fiscal year.
- The rest of our funds can be carried over year-to-year, so some have accumulated larger balances. This allows us to save for special events and other special disbursements.
- The 31 Days of Glory fund is used as a flow-through for raffle sales until it is disbursed to the winners and the balance is moved to the Seeds for Staff Success fund.
- The Seeds for Staff Success fund is used for the Seeds for Staff Success awards.
- The Staff Development fund is used for speaker fees and staff development programs.
- The Spring Fling fund is used for expenses related to the annual Spring Fling event.
- The Engagement fund is used for staff takeover events and other employee engagement activities.
- The Seeds for Staff Donations and Denim Day funds are used for Denim Day collections and disbursements to the charities chosen for Denim Day donations.

    Comment from 4/28/2020: Academic BST’s receive gloves and goggles for work, but
staff have been told there are no masks. Could UND provide face mask protection?
Could hand sanitizer stations be installed now rather than waiting until fall semester? The
preference would be for automatic sensor hand sanitizer dispensers that users do not
have to touch.
    Response: We have now begun receiving face coverings and will be distributing them
as we receive them and are confident we will have enough for all BST’s that do not
already have their own shortly.
    We are also in the process of trying to secure hand sanitizer stations along with the
needed sanitizer and will be installing them this summer as soon as we receive them and
the locations are identified.
    Mark Johnson
