Mike had Rhonda e-mail all members just prior to the meeting with 3 links to review:

- [CPS Parking Condition Report](#)
- [Parking Operational Assessment](#)
- [Parking & Transportation Implementation Plan](#)

Parking & Transportation Committee Charter and Starting Bullets were handed out to all. (attached)

Mike reviewed the Power Point presentation (attached).

- As part of ONE UND's Strategic Plan – Goal 3 Action Item: Progressively upgrade campus facilities (including parking) and ambiance.
 - Mike discussed the difference between state funding for Appropriated Buildings vs. Auxiliary Assets. Parking is considered an Auxiliary Asset along with Food Service and Housing.
 - The state wants us to deal with parking mostly internally.
- Parking Goals
- UND Parking Study Finding

- UND Parking Rates
- FY2019 (August 2018 Implementations)
- Parking Utility
 - Higher Education is typically poor at Space Utilization. Peak times for classes are from 10:00 am – 2:00 pm.
 - UND has removed some parking spaces in relation to building demolitions this past summer.
 - UND replaced 4 parking lots with new lots also this past summer. Life of a new parking lot is approx. 40 years.
- CPS Engineering/Planning/Surveying – April 2012 (still valid)
- Next Steps

Mike reviewed the Starting Bullets (attached)

In addition: Looking to change parking permits to start August 1st.

Questions/Comments:

Erik Martinson – Athletics wanted to relay that introducing the free parking during nights and weekends has been received very well. They have seen an increase in activities and events and has made campus more welcoming.

Service Vehicles vs. Maintenance Clarification:

Service vehicle spaces are available to vehicles with SF plates, personal vehicles displaying a DSV permit. The DSV permit is only valid for 90 min. and vendor permits.

Maintenance spaces are only available to pickups and vans with SF plates or vendor permits.

Future Meetings:

- January 16th, 2:00 pm, Memorial Union – Medora Rm (209)
- February 26th, 9:00 am, Memorial Union – Medora Rm (209)
