Frequently Asked Questions:

Q: What is an event parking request? What do the costs go towards?

A: Making event parking arrangements allow for guests of UND to park on campus for events taking place during business hours. Costs paid for event parking contribute to suspension of enforcement within an area, or cover labor and material costs for a service.

Q: Can I make a request for less than 10 vehicles?

A: Unfortunately, no. We do offer the ability for departments to purchase [Passport Validation Codes](#), which operate as a 'coupon code' through the Passport app. These codes can be distributed to event guests to cover their parking cost.

Q: Where do I submit an Event Parking Request? How close to an event can it be submitted?

A: Through the DocuSign [linked on this page](#), no later than 2-weeks prior to your event date (14 days).

Q: If my event takes place on the weekend, or after 4:30pm, do I need to submit a request?

A: Requests are always welcomed, but if you do not require signage or any of our other services, there is no need to submit a request.

Q: Where can my guests park?

A: Once your request is submitted, our event coordinator will reach out to you for discussion on a parking location that fits your needs.
