

Welcome to the University of North Dakota!

We know that new employee orientation can be overwhelming with lots of new information coming from every direction. We want to welcome you and let you know that UND prides itself on encouraging and promoting lifelong employee and family wellness!

Work Well, our employee wellness program, provides engaging challenges, on-going programs and access to resources to promote lifelong, multi-dimensional well-being for you and your family. Enclosed you will find the following resources to help you craft a wellness lifestyle that works for you:

- Work Well brochure & contact information
- UND Wellness Center offerings & free month membership pass
- Campus walking map
- ND Quits brochure

Please refer to the Work Well website, UND.edu/workwell, for full details on programs, services, resources and upcoming challenges.

We wish you much success and happiness in your position at UND and good health to you and your family!

Sincerely,

STEPH HOFFMAN, MS, CSAEd, CSAEd-CR

Assistant Director of Programs
Interim: Work Well Coordinator
Wellness & Health Promotion

WHAT IS WORK WELL?

Work Well is the employee wellness program for the faculty and staff at the University of North Dakota that creates impactful experiences for the campus community to encourage and promote lifelong, multi-dimensional well-being. We provide services, programs, education, support and resources to cultivate a culture of wellness that focuses on the seven Dimensions of Wellness: Spiritual, Intellectual, Occupational, Environmental, Physical, Social and Emotional.

WHO CAN JOIN?

It is open to all UND staff, faculty, and their eligible dependents. There is no need to enroll.

HOW MUCH DOES IT COST?

It is FREE to participate in most programs.

WHY PARTICIPATE?

Work Well can help you meet or maintain your wellness goals, learn something new, or have fun with coworkers! Participants in wellness programming report having increased productivity, reduced sick days, and reduced health costs. *Institute for Healthcare Consumerism

- FREE cooking classes in the Culinary Corner
- FREE access to our 30' Rock Wall
- Use of a Self-Care Station to check blood pressure and weight.

ROCK WALL

Interested in a new way to stay active and healthy? The rock wall may be just what you're looking for! The natural look, open air and natural light will have you climbing to the peak. Stop in and ask our staff about techniques, incorporating the wall into your workout routine, or just for an interesting conversation!

RECSORTS PROGRAM

The RecSports program offers students the opportunity to participate in a variety of competitive and recreational sport activities and special events, such as Basketball, Volleyball, Indoor Soccer, Ice Hockey & much more!

CULINARY CORNER

Culinary Corner is the demonstration kitchen located on the first floor of the UND Wellness Center. Our instructors range from students to guest chefs and each has their own specialty. Whether they make sushi or homemade pizza, you will learn culinary skills and tips on healthy eating.

RESOURCES

Wellness & Health Promotion has a resource area that offers educational information and resource items on the topics of alcohol and other drugs, mental health, nutrition, physical, sexual health, sleep, tobacco and violence prevention. Additionally, another valuable resource are the peer educators. They are students who are knowledgeable about each of the topic areas and are available to do presentations and host a variety of educational / outreach events around campus.

Student Employment

Accepting applications year round.

Visit UND.edu/teamwellness for more info.

UNIVERSITY WALKING PATHS

Getting healthy is a just a few steps away! UND offers a variety of indoor and outdoor walking paths found on this map.

Why Walk?

Walking is a great way to improve and maintain overall health. Walking is low impact, requires minimal equipment, can be done anytime of the day, and can be performed at your own pace.

Physical activity does not have to be vigorous or done in long periods of time to improve overall health. Just 30 minutes per day can have many benefits:

- Reduce risk of heart disease, type 2 diabetes, osteoporosis, and high blood pressure.
- Boost muscle power and endurance.
- Increase cardiovascular fitness and strengthen bones.

Stay Safe!

The **UND Safety Escort Service** (701.777.3491) will accompany students, faculty, and staff to destinations on campus or near campus. Use these tips to take extra precaution:

- Be aware of your surroundings.
- Avoid dark or vacant campus areas; walk along well-lit routes.
- Change your route and time often when walking outside.
- Walk with a friend or in groups.

Emergency Blue Light

Telephone units are located throughout campus and can be used to contact police in a crisis situation.

A “Mobile Blue Light” feature is available on your smartphone through **SafeCampus**, the official safety app of UND. The app also features emergency contacts, safety

tips, personal safety tools, maps, and more! The app is available on the App Store and Google Play.

Campus and Community Walking Opportunities

There are walking opportunities everywhere you go. It's up to you how much you take advantage of them!

- Walk down the hall instead of sending an email.
- Pick the parking space in the last row of the parking lot.
- Take a walk with your friends to get a break.

Look around you! It's easy to fit walking into your daily routine. You just have to make that commitment and stick with it.

Indoor Walking Opportunities

- Hyslop Sports Center
- Wellness Center*
- Alerus Center
- Choice Health & Fitness*
- Columbia Mall
- Grand Cities Mall

*Membership required.

Outdoor Walking Opportunities

- UND Walking Paths
- The Greenway

For more outdoor activity resources around the community, head to visitgrandforks.com.
